

Happy May, Providers!

No Authorization Requirements on Radiological & Imaging Services

A friendly reminder: Please **do not** submit prior authorizations for the following radiological services, as they are not required*:

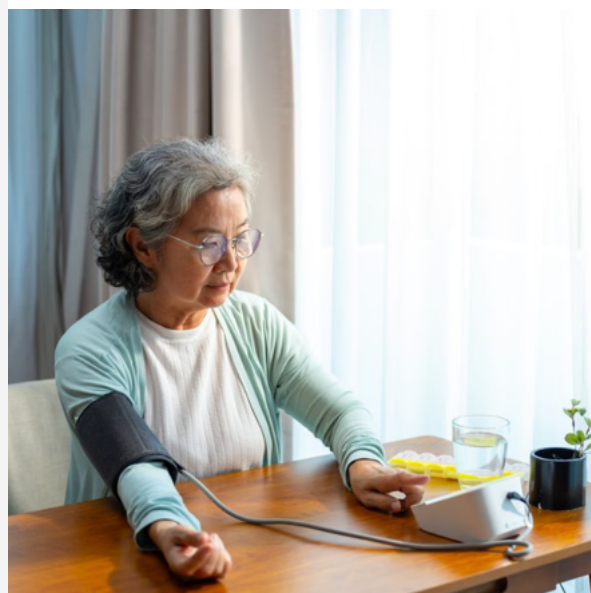

- X-rays
- Ultrasounds
- Magnetic Resonance Imaging (MRI)
- Computed Tomography (CT) Scans
- Positron Emission Tomography (PET) Scans
- Transthoracic Echocardiograms (TTE)

*Authorization on the above services is only required if you are referring an HMO member Out of Network.

Please [download](#) our prior authorization lists for your use and reference.

We will notify practices when authorizations are requested for services not requiring them.

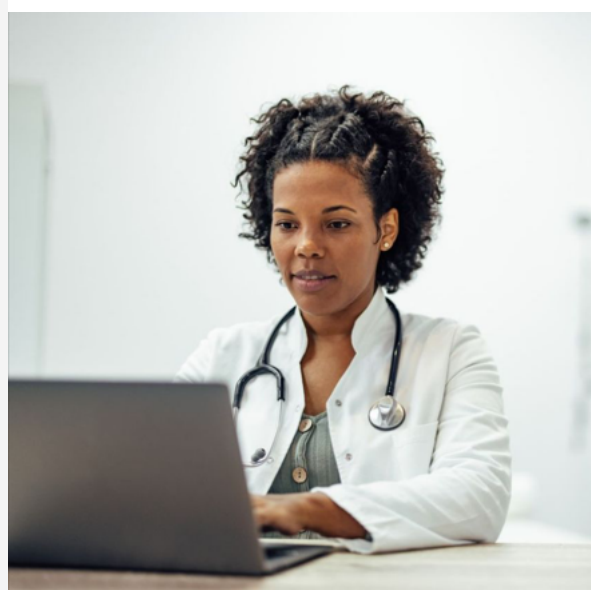

Your prompt attention is appreciated. If you have any questions about our prior authorization process, please contact your Provider Concierge at 844-806-8217, option 5, or providerconcierge@htanc.com.

The Fight Against High Blood Pressure

National High Blood Pressure Education Month is a time to learn, take action, and empower communities with the tools to manage blood pressure and build a healthier future.

Recapturing Chronic Kidney Disease

Through record reviews, the Risk Adjustment team has noticed that we are missing the ability to recapture chronic kidney disease (CKD) stages 3-5. Specificity matters!

Coding Tip Corner

April 2025 Coding Changes

The Centers for Disease Prevention and Control (CDC) posted the updated ICD-10-CM code files to address revisions to the ICD-10-CM Official Guidelines for Coding and Reporting and other typographical errors. These updates are effective April 1, 2025.
